Shiraz

2022, BAROSSA VALLEY

We all love Barossa Shiraz for its unapologetic boldness. This guy from the 2022 vintage has it in spades, but while it's certainly declarative in its Shiraz character, it doesn't shout so loud that the gentler spice profile is lost amid its roaring ocean of deep blue and red fruits.

NOSE

Red fruits are balanced with darker black fruits, underpinned with gentle spice aromas.

PALATE

Fresh yet generous, a more modern expression that carries the typical flavours of the Barossa with a playful structure acidity.
